

A Catholic Parish Community on Mission

We, the Community of Our Lady of Victories Parish Sallynoggin/Glenageary are called together by our Baptism to be a worshipping and caring community. Our beliefs are based on the teachings and example of Jesus Christ and our Catholic Church tradition. They lead us to celebrate our sacramental life with the Eucharist as the center of our worship and activity.

Our Christian calling urges us to be a caring community supporting each other, attentive to the needs of the disadvantaged, welcoming to the stranger, and missionary in outlook. We respect and are co-operative with other Christian denominations and other faiths. With Mary, Our Lady of Victories, we strive to bring the Saviour and His Kingdom to our World, and our world to His Kingdom.
