

New Pilgrim Path Website of the Week

Tribute to John O'Donohue: "Somewhere, out at the edges, the light is turning... and the freed air goes wild with light... May I live this day compassionate of heart, clear in word, gracious in awareness, courageous in thought, generous in love." These are the words of the late, great Irish poet, philosopher and writer, John O'Donohue in a truly uplifting memorial video. www.newpilgrimpath.ie

Week of Prayer for Christian Unity 18-25 January 2022.

The theme for the 2022 week of prayer is "We saw the star in the East, and we came to worship him" (Mt 2:2) taken from the account of the visit of the magi to pay homage to the infant king (Mt 2:1-12). It is a call to unity, of those from the North and the South, from the East and from the West, old and young, men and women.

What is the Synodal Pathway?

In every diocese throughout the world, a Synodal process was launched on October 17th 2021 which will culminate with the Synod of Bishops dedicated to the theme "For a Synodal Church: Communion, Participation and Mission" at the Vatican in October 2023. This process is about discerning what God wants at this time from His People. In fact some of what emerges might be very challenging for many of us.

What is the purpose of this?

The purpose is to create a context that allows God through His Spirit to articulate what he wants from his Church at this time? It's a process of discernment of God's Will. Discernment is achieved by listening to God in prayer, reflecting on his Word in Scripture, and in listening to one another deeply.

What will happen at a parish level?

Parishioners will be invited to participate in a series of meetings. At these meetings there will be prayer, reflection and discussion on a number of set questions and an accurate record will be kept of the content of the discussions.

Who can participate?

All the baptised, and Pope Francis is very anxious also that those who are on the margins be invited and that they participate. By those on the margins he means those on the edges of the Christian community because of personal, social, economic, cultural or political reasons. **P.T.O page 3**

Synodal Pathway continued....

Who will organise these gatherings?

The gatherings will be organised by the Parish pastoral council with specially chosen and trained animators.

What is an animator?

Animators, in collaboration with parish teams and parish pastoral councils, will organize the gatherings of people that will listen to God's Word, pray and listen to each other's experience.

What about those who are shy, lacking in confidence, very elderly, — how can the meetings be made safe for them?

The animators will take every step to organise the meetings in a way that feels safe and comfortable for participants, especially for those who might be concerned.

When do we begin?

Animator training has already begun. Meetings should be held between February 2022 and April 3rd 2022. Feedback from these sessions will be collated by the animators in May and presented to the Archbishop in June of 2022.

How then will all of this make a difference?

It will make a difference in several ways. Those who participate in the prayer, reflection and conversation, and share the views of others, will likely come away from the gatherings enriched and with mindsets broadened. When reports of the meetings are collated at diocesan, national and international levels, a range of insights and recommendations will emerge that hopefully will enable the worldwide Catholic community to sense what God wants from them. In all of this we must of course trust the Holy Spirit to be with us and bring us to where He wants us to be.
