

New Pilgrim Path Website of the Week

March 2nd is Ash Wednesday, the beginning of Lent. Lent is a time when we are invited to encounter Christ in the wilderness, free from all the things which distract and anaesthetise us in our daily lives. We need not travel far to enter this place – the wilderness inside us is a place of testing, where the power of false gods is broken. It is a place of encounter with ourselves, with our inner demons and with God. New Pilgrim Path has a host of resources to guide us on this transformative journey. Access them here: www.newpilgrimpath.ie.

Eighth Sunday in Ordinary Time, Year C, 27th February, 2022. Bulletin No: 1401.

Where to Start

*When I was young and fired with the love of God,
I thought I would convert the whole world.
But soon I discovered that it would be quite enough
to convert the people who live in my town,
and I tried for a long time to do that, but did not succeed.
Then I realised that my program was still too ambitious,
so I concentrated on those in my own household.
But I found that I could not convert them either.
Finally, it dawned on me: I must work on myself.
When people complain about what's wrong with the world,
they are usually blaming somebody else.
They should look at themselves first.
That way, they will know they are
making a difference in at least one life.
We can't take anyone farther than we've gone ourselves.*
