Season of Creation IV

This year's theme for the \season of Creation is “Listen to the Voice of Creation”. Quiet your mind, open your heart and listen to these quotes from Pope Francis in Laudato Si

- “From panoramic vistas to the tiniest living form, nature is a constant source of wonder and awe. It is also a continuing revelation of the divine”. (LS85)
- “The entire material universe speaks of God’s love, his boundless affection for us. Soil, water, mountains: everything is, as it were, a caress of God” (LS84)
- “God has written a precious book whose letters are the multitude of things present in the Universe”. (LS85)
- “To sense each creature singing the hymn of it’s existence is to live joyfully in God’s love and hope” (LS85)
- “The universe unfolds in God, who fills it completely. Hence, there is a mystical meaning to be found in a leaf, in a mountain trail, in a dewdrop, in a poor person’s face”. (LS233)

Let us listen out for the Voice of Creation everyday and let us play our part in the protection and the restoration of our Common Home.
