### New Pilgrim Path

The Canticle of the Creatures, written by St. Francis of Assisi, is also known as the Canticle of the Sun. This hymn was written during the transition period in the development of the Italian language from Latin, and is the earliest known vernacular literature written in the Umbrian dialect of Italian. Well known Catholic author G.K. Chesterton said that this hymn "is a supremely characteristic work and much of Saint Francis could be reconstructed from that work alone". Pray along with it at: [www.newpilgrimpath.ie](http://www.newpilgrimpath.ie).

### The Cup of Cold Water

Jesus said that anyone who gave one of his disciples even a cup of cold water would be rewarded. The 'cup of cold water' is a symbol of the small kind deed

Deeds don't have to be big but in order to be of help and comfort to the person for whom they are done. Small deeds are very important. They may not look much, but they create a friendly atmosphere.

It's not how much we do that matters, but how much love we put into what we do. The spirit in which a deed is done, the person to whom it is done, and the circumstances in which it is done, can magnify the effect of a small deed. A small deed can bring great comfort to a person provided it has a certain quality. That quality is *warmth*. All deeds that come from the heart have that quality.

Few of us are given the chance to perform great deeds. But the chance to give 'a cup of water' can come our way several times in the course of a day. A small act of kindness can turn winter into summer at least briefly for another person. It becomes a small but significant stepping-stone for that person.

Giving is at the heart of the Gospel. It is the very essence of Christianity. It is through giving that the heart remains open and one becomes a loving person.
