### DEPARTMENT OF EDUCATION SURVEY – HAVE YOUR SAY

The current Department of Education survey on the future of patronage in the primary sector is important in that it will shape the discussion on primary school divesting for the years to come throughout the Republic of Ireland. The survey is school specific and needs to be responded to by all parents and prospective parents locally.

It is important that those who wish for a change in patronage would have their voice heard. It is equally important that those who wish for a Catholic education for their children, and the support for sacramental preparation available in Catholic schools, would have their voice heard also. For those reasons and to ensure that an accurate picture emerges, please participate in this survey if you are a parent or a prospective parent of a Primary school student. The survey closes on Tuesday, December 16th and can be accessed at [www.gov.ie/primaryschoolsurvey](http://www.gov.ie/primaryschoolsurvey)

Feast of Christ the King. Year C, 23rd November, 2025. Bulletin No: 1594.

# CHRIST the KING

Our Lord Jesus Christ, King of the Universe is a title that highlights both the majesty and the humility of Christ's reign. His kingship stands in striking contrast to earthly models of power. Rather than ruling through force or intimidation, Jesus exercises authority through self-giving love, revealed most clearly in His willingness to suffer and die on the cross. The crown of thorns and the cross itself become symbols of a kingdom rooted in redemption, mercy, and truth.

This vision of Christ's kingship invites reflection on the kind of reign He brings into the world. His dominion is marked by justice, compassion, and reconciliation. It advances wherever people choose forgiveness over vengeance, kindness over indifference, and hope over despair. Acknowledging Jesus as King challenges believers to examine the values that guide their choices and to resist the "kingdoms" of pride, greed, and self-exaltation that compete for their allegiance.

Though His kingship is universal—embracing all nations, cultures, and moments in history—it is also deeply personal. Christ seeks to transform hearts as much as societies, calling individuals to walk in truth and participate in the renewal of the world. To call Jesus King of the Universe is to affirm that His love defines the ultimate purpose of creation and that His victory over sin and death establishes a kingdom that endures beyond all earthly powers.
