Eighteenth Sunday in Ordinary Time Year A, 2nd August 2026. Bulletin No: 1630.

The Abundance of a Generous Heart

In times of uncertainty, it is easy to focus on what is lacking. Worries about the future can overshadow the many signs of hope and goodness that surround us each day. Yet faith invites a different way of seeing: to recognise that God's generosity is greater than our fears and that no act of kindness is ever wasted.

The blessings received in life are not meant to be guarded but shared. Even the simplest gifts—a welcoming smile, an encouraging word, a visit to someone who is lonely, or practical help for a neighbour—can bring comfort and renew hope. When offered with love, small acts of generosity often have a far greater impact than expected.

A thriving parish is built on this spirit of sharing. Time, talents and resources freely given strengthen the community and reveal God's loving presence in ordinary life. Each person has something valuable to offer, and every contribution helps to build a more caring and compassionate Church.

The invitation this week is to trust in God's abundant care rather than be guided by a sense of scarcity. Hearts filled with gratitude become open hands, ready to share with others. In doing so, they discover that true abundance is found not in how much is possessed, but in how generously God's gifts are received and passed on.
